Please don't hurt me! I am harmless...

Who is that over there? Do you need help!?!

Don't be scared. Come with us to Orb City, you can find your courage there!

Princess Glamtoola and her new friends all followed the Purple Amethyst Road to Orb City. She couldn't believe how wonderful this new planet was. It was more than anything she could ever dream!

Princess.... Princess...

Tell me more about Space Ranger Ron and how cool his orange shoes were!

Princess Glamtoola was back on the ship in a blink. Was she really on Planet Oz 6-7 or was she just dreaming? She couldn't tell, and Jupiter still doesn't speak human...

Well....

I'm not sure Fred. It seemed so real, but it must have been a dream.

Suddenly, someone busted  
through the ship's cargo bay.  
It was....
